The fine print

- Read for US, commercial use. Change the frame and the verdict can change.
- "Needs review" means a human should confirm before relying on the call.
- This usage license reflects machine-readable and expressed restrictions detected on the source at check time. It is not legal advice; actual rights depend on your jurisdiction and intended use. Source note: this is a U.S. state/territory government domain (.wi.gov); its open-data classification is "Open" - generally favorable for text-and-data-mining, but verify sensitive or personal data before relying.
