The fine print

- Read for US, commercial use. Change the frame and the verdict can change.
- "Needs review" means a human should confirm before relying on the call.
- This usage license reflects machine-readable and expressed restrictions detected on the source at check time. It is not legal advice; actual rights depend on your jurisdiction and intended use. Source note: this .gov host is not in the U.S. federal registry, so its public-domain status is unconfirmed - it may be a state or other government domain. Confirm before treating its content as public domain.
